

Hamburg Dockyard Requirements

Made by [W-C] jiejaw

This is a guide to the upcoming Hamburg Dockyard. I have simplified the requirements from the original source, which can be found here: https://docs.google.com/spreadsheets/d/1CyuZZi7SMGpSur1-0p4SRO2nMaWMNLbY-YGueWcOPYg/htmlview?usp=sharing&pru=AAABchUFRg*cL1Tiz1xcyWlOXWzhB3Hzw#

Please note that there are 20 construction levels. **18 can be grinded for free.** Each level costs 1750 doubloons, so to receive Odin (Level 20), you will need to spend a minimum of 3500 doubloons. Admiral Graf Spee (Level 10) can be acquired for free.

Directive will be available during Updates 0.9.5 - 0.9.6, with each directive becoming unlocked each week. You can unlock 3 directives per week by completing missions, over 6 weeks.

- ❖ **This bullet point has a reward of 1 level of Dockyard.**
- ❖ Where there are multiple missions for one bullet point, then this mission **OR** This mission must be completed.
 - This bullet point means several of these missions need to be completed. Once enough of these missions are completed, 1 level of dockyard will be rewarded.

Example:

- | | |
|------------------------------|---|
| ❖ Over any number of battles | This mission rewards 1 level of dockyard . This row is for the number of battles requirements. |
| Earn 18 "Destroyed" ribbons | This is the mission requirements. |
| Tier V – X ➡ 🚩 🚩 🚩 ▶ | This indicates which ships can be used. They could be a tier, a class or a specific ship. |
| Random, Ranked, Co-op | This indicates which modes can be used to complete this mission. |
